

## 2022 Annandale Alpine Co-Op Transportation – UPDATED 1/6/2022

Policies below are for Annandale Students (note those from other schools should check with their AD for transportation policies applicable to them)

For any race where the location is not Powder Ridge, anyone not riding the bus to OR from event:

- Needs to email Luke/Rita/Dana prior to event departure if racer is riding with their own parent/guardian to or from event
- Needs to sign a transportation waiver if driving themselves OR riding with another skier's parent/guardian PRIOR to them leaving
- NO RACER is allowed to ride with another student that is driving (exception – students can transport their own siblings)

Per COVID policy, anyone riding the bus needs a mask.

We are NOT sharing bussing with Breakaways (except for ~~1/10~~ 1/24 DM race)

~~One way shuttle to Powder Ridge – 1:40 AMS dismissal, 1:50 AHS dismissal.~~

~~Per Rita, since Powder Ridge is the standard practice location, students can drive themselves, carpool, etc as they normally would. For other race locations the policy will be different.~~

~~All racers need to plan a ride home (no provided transportation)~~
